

Dear Year 4 Parents,

## The 'Great Rescue Bake Off'

Each class has a charity link and this year Bowie Class have chosen to raise money for the Bristol Animal Rescue Centre (ARC). They are the oldest and largest animal charity in Bristol. Over the years they have cared for hundreds of thousands of injured, stray, neglected and abandoned animals and desperately need support in order to keep doing the amazing work that they do.

The first fundraising event that the class wants to do is a cake sale. They will be baking and decorating all the cupcakes themselves this Wednesday morning (23rd of October 2024) and then having a cake sale after school at 15:15.

Their wish list of items can be found on the outside of the door to the cloakroom. If you are able to contribute with baking items please add your child's name to the list.

We also need a few children to run the cake sale stand from about 15:15 to 15:30 after school on Wednesday, if you are happy for your child to do this please let me know.

Some children are keen to do some additional baking at home and bring their items to sell on Wednesday. This is very much welcomed too (please no nuts!).

The class has come up with various other ideas to raise money for Bristol ARC which will run over the course of the year. The next one they would like to do is sell Christmas crafts that they have made.... more details to follow closer to the time.

Thanks for supporting them to achieve their goal.

Mrs Roberts

### Bristol Animal Rescue Centre:

***"Our mission is to protect and improve the lives of Bristol's vulnerable animals - we are here for them all. Today, Bristol A.R.C.'s operations far exceed its humble beginnings. We have an on-site clinic where we treat the animals in our care, as well as wildlife brought to us from the public. Our amazing clinic team also delivers a biweekly outreach program in two local communities with restricted access to veterinary care and advice. In our rehoming centre, our animals are kept happy and healthy until they find their forever home, receiving specialised behavioural training and socialisation in the meantime. "***
