

School Council Elections

September 2018

Name: Scarlett

Class:

Why would you like to be a School Councillor?

I would like to be a councillor because I would enjoy attending meetings, to get to know other students/teachers. I want to help the school to be the best it can be.

What are your qualities?

I am thoughtful, loyal, confident and enthusiastic. I have lots of ideas to contribute.

What would you like to do as a School Councillor? (any projects or ideas?)

I want to help people have more fun at school. I've thought of a brilliant idea for comic relief. We can hold an annual red nose race where the winning class could give a teacher of their choice a makeover.
