

✨ A huge thank you ✨

Thanks to the incredible support of our parents and local community at last year's PTA events, we've been able to give our ICT Suite a much-needed upgrade over the summer holidays! 🖥️🎉

Every pupil will now benefit from brand new hard drives (with the latest spec to keep them running for years to come), plus shiny new keyboards and mice.

The PTA kindly donated £6,000 towards the project, with the remainder funded through a grant – something we simply couldn't have achieved without your support. ❤️

And we're not stopping there! Our next fundraising and grant project will be to provide a canopy for our Reception class, giving the children a fantastic outdoor space to enjoy all year round. 🌧️🌈

Thank you for making such a difference to our children's learning. 🙏👏
